Sir:

RESPONSE

This is in response to the Examiner's requirement for restriction, set forth in the Office Action dated January 1, 2004, the period for response having been extended up to June 2, 2004, by submission of the required petition and fee herewith. Applicants elect the subject matter of Group 1 (claims 1-7) for prosecution in this application. As regards the Examiner's requirements of election of species, Applicants elect plasma as the sample and immunoassay as the assay type.

The election is made with traverse.

The Examiner is urged to reconsider the requirement for restriction, at least between the subject matter of Group 1 and the subject matter of Groups 2-8 (claims 8-

13). The subject matter of Group 1 and the subject matter of Groups 2-8 are classed and subclassed identically. Thus, it is believed that no undue burden would be placed on the Examiner if all of Groups 1-8 were to be considered in the same application.

An early and favorable Action on the merits is awaited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
